Marietta and Anita,

Just a quick summary before I'm out next week.

Stuff from today

- Ed Setren Task – **Ex. 5 - Deliberative Process**  
**Ex. 5 - Deliberative Process** likely need to review the text.

- Big FOIA **Ex. 5 - Deliberative Process**  
**Ex. 5 - Deliberative Process**

- Synergy

- ESA – no word from Wendy (I didn't ask, either)

- ORD projects – Ed to be collecting a list in preparation for your meeting with ORD

- GJR position – punted the information to Donna, requesting that we review what she rolls up before it goes to PMRA. Hope this is OK. I see nothing wacky in the materials she has or we sent, but the level of detail may be too specific for her purposes.

- **Ex. 5 - Deliberative Process**  
**Ex. 5 - Deliberative Process**

- DRT – Nothing we need to do for now.

- Timecards – Brian’s time is approved (there was a glitch, Keri fixed it); Jean Bethea’s time approved.

Stuff I didn’t get to

- Comm tools memo – I’m going to bring this with me. Still thinking about how best to incorporate Billy’s position in the memo.

- Diazinon review – I’m going to bring this with me

- Input to Hamaad on Reforming Plan – **Ex. 5 - Deliberative Process**

## **Ex. 5 - Deliberative Process**

- Cube move email – I’ll deal with this when I get back, but I might send draft text to Nikki while I’m out.

I think that’s it? Sorry I’ll miss PPDC. I’ll probably be checking email pretty regularly, FYI. My cell is 703-969-9109, if you need anything.

See you a week from Monday!
